Dear EMBA member

As you no doubt have read on the EMBA website the planned conference in Dublin had to be cancelled. We are organising an International Conference in Lisbon, Portugal on the 5th and 6th October 2012. It will be preceded by an EMBA annual meeting on the 4th October. Further information will soon be available on the website.

There will be an annual meeting of members on the 18th November 2011 in Milan followed by an afternoon of presentations and workshops which are free of charge to all members. We hope you, and as many other members will be able to take part in this interesting day we are planning.

**Venue:** BIOMEDIA Via Libero Temolo, 4 - 20126 Milano (Italy)

The annual meeting will be followed by lunch and then between 1pm and 4pm, we will be looking at the following topics:

- Donor milk bank survey information
- Informal sharing of mothers milk
- Updating the EMBA map

Working groups will also consider breastmilk fortification, milk banking guidelines in Europe and heat treatment of breastmilk.

You will find information regarding bed and breakfast accommodation that is conveniently situated for the meeting at the following addresses, or visit the EMBA website Homepage [www.europeanmilkbanking.com](http://www.europeanmilkbanking.com)

### Milano Bicocca
